SHOUT's MISSION CONNECTIONS

hempfield
United Methodist Church

**Our LOCAL Church
with a LOCAL IMPACT**
www.hempfieldumc.com

In a few words:

To know Jesus
and make Him known

Location: Right here!

Examples: Day of Caring,
Operation Christmas Child, etc.

We'll often partner with ministries (inside and outside) of our local church, working along others to help complete the mission that God has uniquely called us to do.

Even on our summer mission trips, we'll look for opportunities to serve other local United Methodist Churches, not to support a denomination, but to support the people who make up the church.

**An INTERNATIONAL MISSION
with a PERSONAL IMPACT**
www.worldvision.org

In a few words:

One Dollar saves One Child
for One Day

Location:

Headquarters: Washington State
Ministry: Nearly 100 countries

World Vision is a trusted leader in famine relief. Their extensive efforts partner faith with action in order to feed those who are starving, and they minister to their most basic physical and spiritual needs.

Every year we commit ourselves to the 30 Hour Famine - not as an event but as a resolution - that our abundance does not negate our responsibility toward others. If we RAISE money during the year, it will be toward this effort: to ensure that we partner with others to literally save lives.

**A LOCAL Mission
with an INTERATIONAL
IMPACT**

www.gainusa.org

In a few words:

A Local Warehouse
with a Worldwide Mission

Location:

Headquarters: Dallas, TX
Warehouse: Mt. Joy, PA
Ministry: Nearly 30 countries

Two Turns. Three Miles. That's it. Our church is that close to a warehouse that sends food, clothing, and supplies to local churches, missionaries and ministries around the world!

SHOUT Serve events, and even international mission trips, may involve partnering with this warehouse ministry in Lancaster County that equips others throughout the world.

show me your faith
without deeds,
and I will show you my faith
by what I do.
